 Important

For example, ★★  John 3:16

Within the text, are two internal focused studies. One on Repentance, and the other on Sexual Immorality. Words dealing with these two subjects are written in red. These are the two most important questions asked of me as a preacher. There must be repentance in the believers life (Luke 24:46-48). The biggest crisis within the church is people that think they are saved, but are not (Matthew 7:21-24)—famous Jesus "I never knew you" passage. I had to address sexual immorality because everyone asked me, "What is God's word on this subject?" Regarding this answer, I must let Scripture speak for itself. Words referencing hell, are also written in red. Scriptures pertaining to hell have a  fire sign.

This Study Bible is a multidimensional, multi-sensory/functional study tool. I hope and believe that with this Study Bible, you will be able to retain and improve your comprehension of Scripture. It has helped me so much and I know it will help you.

Love in Christ,
